

# Olivie Plus 30X Extra Virgin Olive Oil

Diiktiraf Organik KKM

## INTRODUCTION

# BENEFIT OF PRODUCT

## OLIVIE 30x PLUS

is a premium, cold-pressed olive oil concentrate, uniquely cultivated in the harsh, pesticide-free deserts of Morocco. With 30x higher antioxidants (like hydroxytyrosol and oleocanthal) than regular olive oil, it's scientifically formulated to support prenatal health, fetal development, and postpartum recovery.

Certified organic (KKM & international) and backed by clinical studies (including trials at KPJ Hospital), this multifunctional oil offers:

- Nutritional supplementation (rich in Vitamin E, DHA analogues, and anti-inflammatory compounds).
- Topical skincare to nourish both mom and baby.
- Safe, natural alternatives to synthetic pain relief and stretch mark creams.

# BENEFITS FOR PREGNANT WOMEN

## Enhanced Prenatal Nutrition

### 30X Higher Antioxidants (Hydroxytyrosol & Vitamin E)

Protects maternal and fetal cells from oxidative stress, reducing risks of pregnancy complications.

## Fetal Development Boost

### DHA & Omega-3 Analogues

Aids in baby’s brain, nerve, and eye development (similar benefits to fish oil, but plant-based).

### Rich in Anti-Inflammatory Oleocanthal

Naturally eases joint pain, swelling, and headaches (safe alternative to painkillers).

### Placental Protection

Hydroxytyrosol improves nutrient/oxygen transfer to the fetus, lowering preterm birth risks.

### Supports Heart & Blood Health

Oleic acid and beta-sitosterol help maintain healthy cholesterol and blood pressure (key for gestational hypertension).

## Skin & Digestive Health

### **Stretch Mark Prevention**

Deeply moisturizes skin, improving elasticity (apply topically to belly/hips).

### **Gentle on Digestion**

Soothes acid reflux and gastritis (common in pregnancy) when taken orally.

## Stress & Immune Support

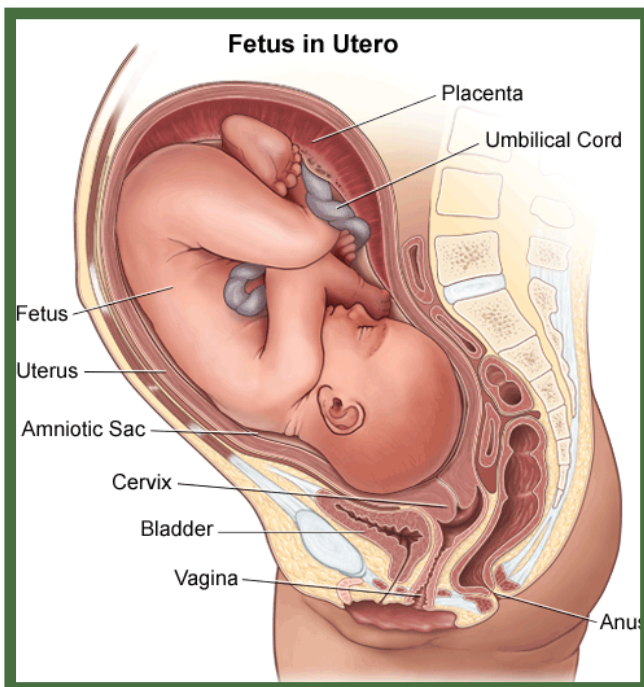

### **Aromatherapy/ Massage Benefits**

Calms anxiety and promotes better sleep (use as massage oil).

### **Immunity Boost**

Polyphenols and squalene fight infections without synthetic additives.

# BENEFITS FOR THE BABY

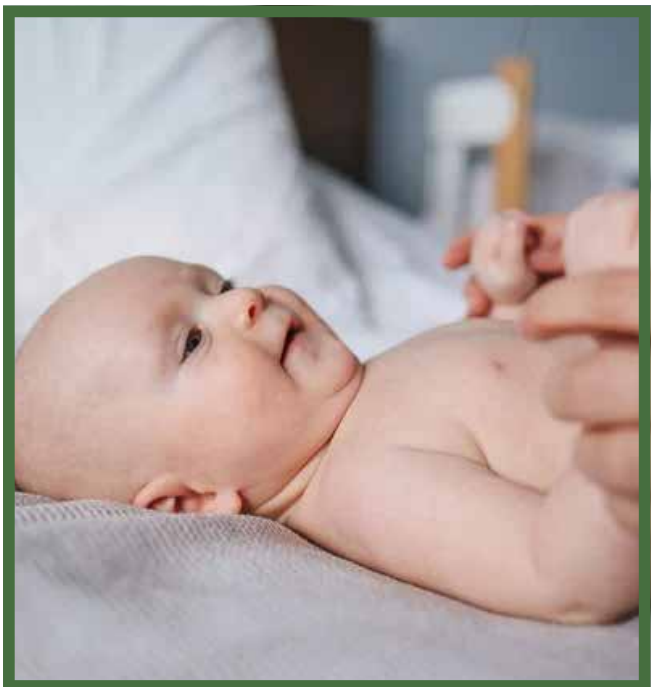

## Reduced Oxidative Stress

Maternal intake of hydroxytyrosol shields the fetus from free radical damage.

## Optimal Growth

Improved placental function ensures steady nutrient delivery for healthy weight gain.

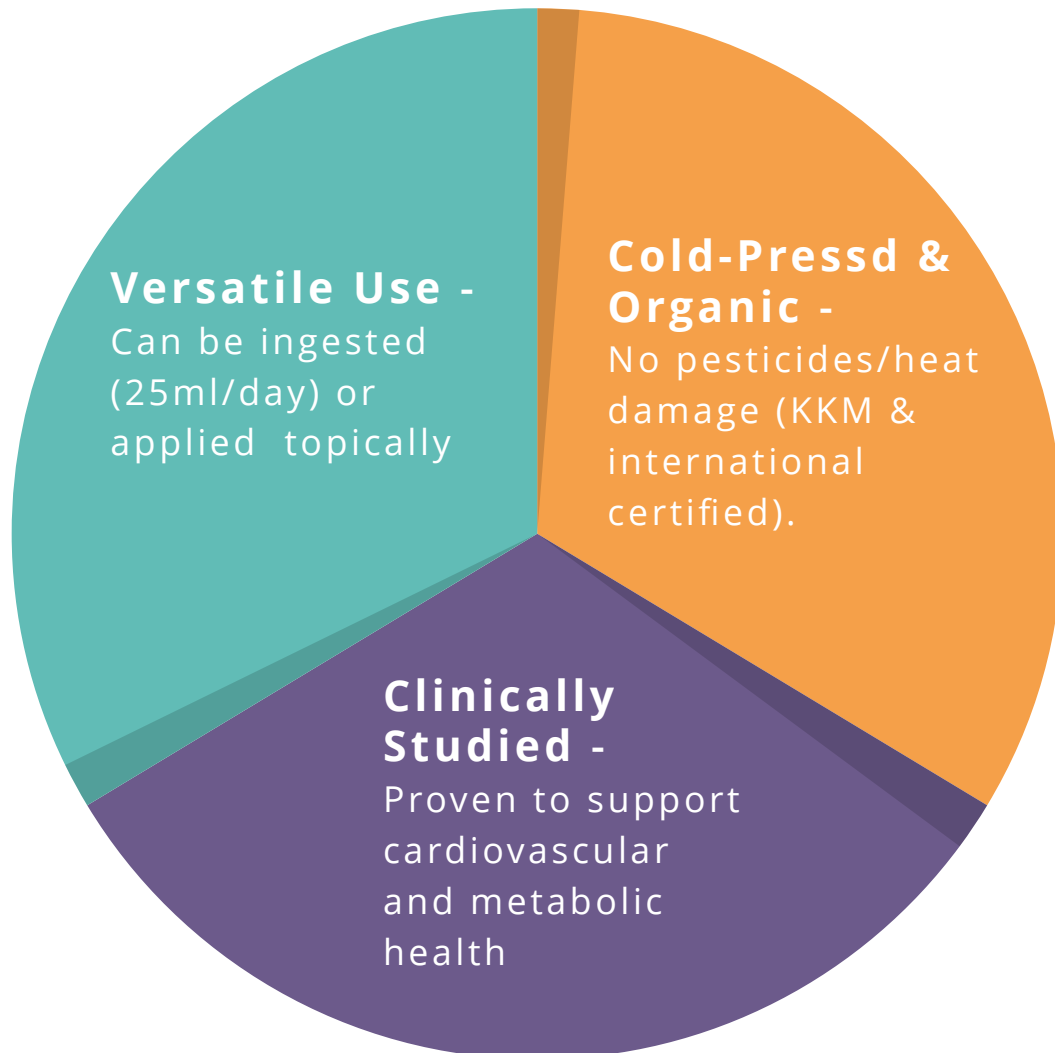

## Safe for Newborn Skin

Organic, chemical-free formula treats cradle cap and dryness (dilute for baby massage).

## Supports Breastfeeding

Anti-inflammatory properties may reduce colic symptoms if consumed by mom.
